A E-mail was received from our Website provider, Woollybear Web, with the following results to our question as to how many hits the Town Website gets. Since January of 2016 the visitors have gone from 450 per month to 743 per month and in January 2017 the hits were just over 1,000.

**OTHER BUSINESS:**

Discussion was held concerning the Oxford Town swimming pool and the repairs that will be needed before the pool can be opened for the 2017 season.
